KANDESIGN®

You will find our parking facilities in the Venusstraat 7-9. The available lots are indicated in the parking on the left, at the back of the car park. If you have not received an access card, please pick one up at our office beforehand.

Until 2007 the Leien (the central axis through Antwerp) are being retraced: it is adviseable to use one of the alternative routes shown in the map above.

Please also note that the Waaslandtunnel is closed:
- in the direction of Antwerpen Centre from about 5 pm till 7 pm
- in the direction of Linkeroever (Left Bank) from about 8 am till 10 am
